New York City.

Dear Leuschner:

I just received word that Gottlieb has booked the Eagles in Chester and Pitman on August 1st. This is the date I asked you to get a team to go to Atlantic City with me. Under these circumstances, it will be necessary for you to send both teams in there. I had already written Mr. Harman and told him I would accept the date, but was waiting on you to find what team you were sending there with me. Will you please let me know if you are going to send two teams there, contact Harman right away on it. You know of course it is necessary to order the placards printed and shipped to Harman. Iannarella knows what needs to go on them.

Very truly yours,
